

Young Disciple Youth Bible Camp

CLASS INFORMATION

**SUMMER
2017**

Dear Camper,

Camp is almost here, and I'm quite excited! It's going to be a great year filled with blessings from above and I'm looking forward to seeing each one of you.

This booklet contains the current class descriptions. Before you launch right into reading it, here's a brief overview of how the class selection process works. You will take one Lifeskills class, one Recreation class, and one Outreach class for each week attended. Class space is limited, and classes will be filled primarily on a first-come-first served basis. The sooner you respond, the more likely you will receive your first choices.

Be sure to go over the class descriptions before selecting your classes. These will help you register for your classes, and will also help you know what to bring for your classes.

To register for your classes visit youngdisciple.org/camps, proceed to the "camper information and class selection" page, and use the class registration ID listed on your Class Selection Sheet to input your selections online. You can also complete the class selection sheet included with this booklet, listing your first, second, and third choices, and return it to the camp office promptly.

If you have any questions not answered by the information contained in this booklet or in your camper information booklet, please call or write to us at the camp office. Phone: 509-722-4300 ext. 222; Email: ydcamp@youngdisciple.org.

God bless!

Camp Director

CLASS DESCRIPTIONS

Please note: You may select your classes online at youngdisciple.org/camps (starting at noon on June 19) or by using the Class Selection Sheet which will be included with this booklet or available online. We will be able to enter and confirm class selection only after regular camp fees have been paid (class fees may be paid later).

*Classes marked with an asterisk qualify as prerequisite classes for the Young Disciple Mission Experience. The next Mission Experience is scheduled for February/March of 2019.

Camp Week 1

LIFESKILLS CLASSES

Beginning Auto Mechanics: Learn the basics of caring for a vehicle, from basic troubleshooting and maintenance to emergency procedures and pre-travel inspections. Class will cover belts and hoses, fluids and leaks, tires and brakes. **Bring:** Old clothes or coveralls.

Digital Photography: Take photography to a whole new level by creating lasting memories that change lives, bring joy, and are an inspiration to share! Gain an understanding of exposure, composition, and lighting, and develop skills in portrait, landscape, wildlife, and business photography. **Bring:** pen/pencil, notebook, digital camera (preferably a DSLR) with manually adjustable aperture and shutter speed.

Disaster Preparedness: With natural and man made disasters happening more and more every day, do you want to learn how to help those around you in hard times? We will show you simple things you can do to be ready when help is needed. How to be prepared at home, school or work or even in the middle of nowhere on your way to summer camp. Facing uncertain times doesn't have to be scary or

difficult if you understand what you really need in a disaster situation. In this class we will give you resources to begin your journey into this interesting subject.

Firebuilding: Need to start a fire, but don't have matches? No problem! Learn primitive firebuilding methods you can use in the wild, as well as modern alternatives.

First Aid/CPR: Have you ever felt helpless in the face of a medical emergency? Then this just might be the class for you! You'll learn the basics of first aid plus a few more advanced concepts including moving the injured, airway management and rescue breathing, bandaging techniques, triage, and caring for the burned or bleeding patient. You will also have the opportunity to practice your knowledge during hands-on simulated emergencies.

Introduction to Midwifery: What is it like to be a midwife? What do student midwives learn? Explore the ministry of mother and baby care in this introductory midwifery class. Learn hands-on skills that will make you eligible as a midwife's assistant right away. Caution: You may get hooked! For girls age 14 and up.

Introduction to Woodworking: Have you ever wanted to use wood to create something beautiful, yet practical? In this class you will be given the opportunity to explore the exciting world of woodworking and hand carving. You will experience the intricacies of hand tools, such as the chisel, the gouge, and the skew, and also work with gorgeous wood! With the techniques learned, you will design and create your own project. **Bring:** A list of the needed tools will be sent to you after enrolling for this class. **Class fee:** \$15 for additional materials.

***Literature Evangelism:** You—yes, you—can be an effective colporteur! After practicing your skills in the classroom, you will go out into the community for some real door to door experience! Expect to earn some money and spread blessings! **Advance preparation:** We will send a canvass for you to memorize before camp. **Bring:** Walking shoes and bag for carrying books.

***Medical Missionary Training:** Develop skills in basic massage, hydrotherapy, and other home remedies; also learn how to deliver health presentations and do simple cooking schools. This inspiring class will help prepare you to be a medical missionary at home or abroad. **Bring:** Notebook and pen or pencil.

Mission Pilot Ground School: Ever dream of becoming a mission

pilot? This class will give you a jump start toward realizing your dream. The basic course covers what knowledge you need before you are ready to take to the skies. You'll study navigation, communication, radio use, weather and flight maneuvers. **Bring:** Notebook, pen or pencil, and pocket calculator. **Class fee:** \$75 for actual flight. For campers age 14 and up.

RECREATION CLASSES

Canoeing: No summer would be complete without a paddle and a canoe! Instruction in strokes, maneuvers, and safety will have you skimming across beautiful Lake Roosevelt in no time. **What to wear:** Boys: Long T-shirt & knee-length shorts. Girls: fingertip-length shirt over knee-length shorts. **Prerequisites:** Intermediate swimming certificate or ability to swim 100 yards.

Creative Musicianship: Want to have fun with music while learning new ways to bless others with your musical talents? In this class, you'll learn how to lead song service and help accompany song service with piano and/or another instrument you play. In addition, you'll learn techniques for arranging your own music and presenting special music. **Prerequisite:** Must be able to read music and play an instrument well enough to play a hymn.

First Aid: What would you do in an emergency? Find out how you can help others that have been hurt, and what you can do to prevent injury and sickness. You'll get hands-on experience treating simulated fractures, wounds, impaired breathing, and other emergencies.

Origami: This class teaches secrets of the fascinating skill of Japanese paper folding. **Note:** Students must be able to make precise folds and follow instructions.

Pursemaking: Take home a new purse! Learn how to make a medium-sized purse, complete with inside pockets and a zipper. Several color options will be available. **Bring:** A pair of sharp, sewing scissors and pins (put in checked luggage). **Optional:** Bring an electric sewing machine, if possible. **Class fee:** \$12

RC Airplane Scratch Building: A simple, fun and inexpensive way to get into the RC airplane hobby. This class is a basic introduction to foam board construction, radios, motors, servos, assembly, simulators, and flying. You can build an RC airplane from a \$2 sheet of foam board! This class is best for young person who has a strong interest in RC flying,

but has never scratch built an airplane. As a bonus, during the class each participant will build and test their own foam board glider that can later be converted and fitted with a motor and controls to be a fully-featured RC airplane. **Class fee:** \$12

Scrapbooking: Learn how to make beautiful and memorable scrapbook records of the special events and experiences in your life. During this class you'll make your own mini scrapbook. An 8" x 8" scrapbook is included in the class fee. Bring: At least ten photos covering one theme of your choice (i.e. family, a vacation, 2017 highlights, etc.) and, if desired, stickers to coordinate with your theme. **Class Fee:** \$15

Search and Rescue: An Alzheimer's patient wanders from home, a hiker gets lost, a child is stranded. How can you help? Learn the proper search tactics, gear, and equipment you would need to make a life or death difference. Get hands on practice simulating search and rescue missions for urban, wilderness, and other environments. **Bring:** sturdy footwear.

Strategic Nature Observation: Have you ever wanted to see more of what is going on around you out in nature? Do you want to increase your skills of observation? In this class we will explore many different ways to do just that. We'll show you how to see without being seen. How to walk without making noise and how to think more like the creatures you want to see more (or less) of in the woods.

Working with Pastels: In this class, aspiring artists will get to learn all about using chalk pastels in their artwork. Throughout the week you will learn about color, proper shading technique, and how to represent what you see on paper. Come prepared to have fun and get a little dirty!

OUTREACH CLASSES

***Child Evangelism:** Discover the joy of bringing the gospel to the most receptive audience: children! You'll discover ways to reach the minds and hearts of kids at home or in the mission field. Learn how to conduct a complete children's evangelistic series using YD's *Truth 4 Youth* evangelism program. Put your new skills to work in a Sabbath afternoon program for the local children. **Bring:** Notebook paper, pencil, and eraser.

Choir: Over the course of the week, you'll learn several beautiful choir selections, which will be incorporated in a special musical program to be presented Sabbath afternoon. **Prerequisite:** *Ability to sing on tune.*

***Fire for Missions:** Do you get excited thinking about sharing the gospel in foreign land? Wish you could start now? You can! This class will prepare you to witness to total strangers and those of other cultures and backgrounds, ask the right questions in Bible studies, mobilize your local church to pray and sacrifice for missions and prepare you to become a life-long missionary. Learn through first hand missionary stories, discussions, activities and more!

***Health Evangelism:** Learn simple ways to share health principles, and experience the thrill of helping others improve their quality of life. You'll gain real life experience that will help you plan your own health evangelism at home.

***Literature Ministry:** Learn how to share your faith through the printed word! Discover the best way to approach people with a tract, and find out how to effectively use available materials. Learn how to follow up with an interest once you've made a contact, and even try a bit of colporteur.

Orchestra: Calling all musicians! Here is a wonderful opportunity to get together, polish your skills, and use them for God's glory. You'll practice and perfect several sacred orchestral selections to share on Sabbath afternoon. **Bring:** Your portable instrument and pencil. **Prerequisites:** Ability to read music and to play an orchestra instrument.

Camp Week 2

LIFESKILLS CLASSES

Beekeeping: Have you ever wondered what it's like to take care of a hive of thousands of honeybees, and have your own supply of fresh honey? Would you like to learn about what goes on inside a hive, what equipment is needed for successful beekeeping, and how to extract your own honey? Even if you think bees are a little scary, this class will show you how easy beekeeping is, and just how gentle bees can be.

Beginning Auto Mechanics: Learn the basics of caring for a vehicle, from basic troubleshooting and maintenance to emergency proce-

dures and pre-travel inspections. Class will cover belts and hoses, fluids and leaks, tires and brakes. **Bring:** Old clothes or coveralls.

Digital Photography: Take photography to a whole new level by creating lasting memories that change lives, bring joy, and are an inspiration to share! Gain an understanding of exposure, composition, and lighting, and develop skills in portrait, landscape, wildlife, and business photography. **Bring:** pen/pencil, notebook, digital camera (preferably a DSLR) with manually adjustable aperture and shutter speed.

First Aid/CPR: Have you ever felt helpless in the face of a medical emergency? Then this just might be the class for you! You'll learn the basics of first aid plus a few more advanced concepts including moving the injured, airway management and rescue breathing, bandaging techniques, triage, and caring for the burned or bleeding patient. You will also have the opportunity to practice your knowledge during hands-on simulated emergencies.

***Homiletics:** Do your knees knock at the thought of standing up front? This class will get you over the hump. In the course of the week, you'll gain experience and confidence as you learn techniques for giving Scripture and prayer, and preparing and delivering a sermonette. **Bring:** *Strong's Concordance*, writing paper, pencil, and eraser.

Introduction to Midwifery: What is it like to be a midwife? What do student midwives learn? Explore the ministry of mother and baby care in this introductory midwifery class. Learn hands-on skills that will make you eligible as a midwife's assistant right away. Caution: You may get hooked! For girls age 14 and up.

First Aid: What would you do in an emergency? Find out how you can help others that have been hurt, and what you can do to prevent injury and sickness. You'll get hands-on experience treating simulated fractures, wounds, impaired breathing, and other emergencies.

Flute Workshop: Take your flute playing to the next level! Brush up on old techniques and learn new ones. Expect to improve your practicing skills, your tone, and much more! Come and join in the fun as we make music together. Beginners to intermediate welcome. **Bring:** a flute in good repair.

Hairstyling: Do you like to be creative? Do you like to style hair and have others style yours? Calling all girls to learn innovative hairstyles, including casual tips, formal updos, and the ones in between. We will also learn about how to have healthy hair, and becoming beautiful on the inside and the outside. **Bring:** Bobby pins: 50+ (1.5-3 inches in

length, matching your hair color). Hair elastics: 4. Curling iron - about 3/4 inch diameter. Clips, ribbon, and flowers are optional.

Pursemaking: Take home a new purse! Learn how to make a medium-sized purse, complete with inside pockets and a zipper. Several color options will be available. **Bring:** A pair of sharp, sewing scissors and pins (put in checked luggage). **Optional:** Bring an electric sewing machine, if possible. **Class fee:** \$12
