CAMP CODES

The camp codes should be respected and followed, not as a moral judgment, but as a way to facilitate a meaningful and organized camp experience in which participants will be better able to focus on strengthening a closer walk with the Lord.

- * Campers must be accounted for at all times.
- * Food is to be consumed at the dining area, not inside the kitchen or in any other camp structure. Be sure to eat all the food you take.
- * No wading or swimming at any time outside of supervised recreation activities.
- * No visiting or note-passing during worships or classes.
- * Buying/selling is allowed only at the camp store. All campers must deposit their cash in the camp bank at registration.
- * Verbal or physical abuse, and horseplay will not be tolerated. This includes tripping, pushing, annoying, teasing, or throwing things at another person.
- * Restitution shall be made for willful or negligent destruction of property.

- ✱ Knives and tools may be handled only during approved camp activities.
- ✱ Exclusive and/or intense friendships are not permitted.
- ✱ All written inter-camp messages must be delivered via the camp mail system. Messages should be written on a Camp-O-Gram or other similarly-sized card. All inter-camp mail must be unsealed, should be uplifting and encouraging, and should not be directed to campers or counselors of the opposite sex.
- ✱ Prohibited items: Food/beverages/candy/gum, portable electronic devices (including radios, cell phones, smart watches, and wifi-enabled cameras)*, fireworks, card games, drugs, tobacco, alcohol, pornography, secular reading material, makeup, nail polish, jewelry, weapons, or anything that would detract from the goals and atmosphere of camp. *Alarm clocks, cameras, and watches are allowed.
- ✱ **Camp Attire:** Bring sturdy clothing and shoes suitable for outdoor camp activity. Tops should not be sleeveless, low cut, or see-through. Avoid questionable or suggestive images/lettering. No shorts. A modified dress code is acceptable for specified activities, but should not be worn during regular classes, line call, meals, etc.

Especially for Guys: Shirts should be tucked in. Hats should not be worn backwards or sideways, and should be removed inside a building and for all prayers.

Especially for Girls: Everyday wear for most camp activities is modest skirts and dresses. Skirts should cover the knee when standing or sitting, and allow a full stride. Slits must end *below* the knee. Tops must be long enough to cover bare skin when reaching or bending over. For designated activities, *fingertip-length* shirts or tunics over pants are acceptable.

- ✱ Deliberate disobedience and a defiant attitude have no place at Young Disciple Youth Bible Camp.

CAMP BANK

To facilitate shopping in the camp store and to avoid potential loss, campers are asked to deposit their cash in the camp bank. They can draw upon this as needed. Any balance remaining will be returned at checkout.

CAMP STORE

The camp store contains a number of camp-related items, including T-shirts, water bottles, batteries, flashlights, memo pads, pens, and class-related books and supplies. Suggested spending money is \$30–\$50 (U.S. dollars only, please).

CANCELLATIONS

Camp space is limited, and we are expecting each camper that is accepted. Once the camp is full, we will have to refuse any further applications. A last-minute cancellation is unfair to those that may have been denied admission. **If a cancellation is necessary, please notify the camp office immediately so other campers can be given the opportunity to come.** Refunds of camp fees cannot be made after camp begins.

CLASS INFORMATION

Each camper will take one Lifeskills class, one Recreation class, and one Outreach class for each week attended. Class registration will start rolling out a few months before camp. Registration information will be sent out sequentially based on the date of application, beginning with the first camper to apply.

Please note: Class selections will be confirmed on June 10 when regular camp fees are due. If camp fees are not paid by then, class selections will be released and campers may then re-register for available classes after payment has been made. Class fees may be paid at on-site registration.

FAMILY LODGING

At this time, lodging and camping facilities are not available on the camp premises for non-staff family members. The camp office maintains a list of camping sites, hotels, and cabins in the area.

FOOD

Camp food is vegetarian, dairy-free, and low in refined sugars and fats. Campers with food allergies or sensitivities must take personal responsibility to avoid such items. Anyone needing to bring specialized food items to accommodate their dietary needs must clear this *in advance* with camp administration. **No food items may be stored in camper lodgings.**

FRIENDSHIP FEASTS

A highlight of the camp is the weekly "Friendship Feast." Appropriate attire for the Friendship Feast is nice Sabbath clothing. Optionally, campers may dress according to the theme of the meal. Themes are as follows:

Week 1: Hawaiian

Week 2: International (clothing from other countries and cultures)

HEALTH AND SAFETY

Qualified medical personnel will be on the premises to insure camper safety. Emergency medical care is located in nearby Inchelium. In the event of a medical emergency, the camper's guardians will be notified.

LAUNDRY FACILITIES

No public laundry facilities are available. Each camper should bring enough clothing to last for the entire week. Laundry service will be provided at the end of the first week for those staying for both weeks of camp (*camper's name should be clearly marked on each clothing item*).

MAIL

During camp, young people especially appreciate mail from home. We encourage family and friends to send mail often and early. ***Please do not send food, candy, or other restricted items.***

PHONE CALLS & EMAIL

CAMPER PHONES/ELECTRONICS: Camp is a great place to step away from the distractions and stress of cell phones, computers, games, and other media. Instead, campers are encouraged to develop new friendships, spend time in nature, and strengthen their relationship with God. To help achieve these goals, we ask that campers take a break from electronic devices such as cell phones, computers, games, and media players during camp.

PARENT CALLS: Parents needing to contact a camper may call the camp office at 509-722-4300 ext. 6303. Campers are generally not able to come to the phone unless there is a true emergency, but camp staff will gladly take a message for a camper. Messages may also be sent via email.

INTERNET/EMAIL: Campers will not have email access during camp, however messages sent to ydcamp@youngdisciple.org with the camper's name in the subject line will be delivered at mail call. Emails must be received by 4PM each day.

PROBLEMS AT CAMP

Campers are expected to follow all camp codes and policies, and to accept the leadership of their counselors and other camp staff. Young Disciple Camp administration reserves the right to send home any camper who does not comply. In such an event, the parent or guardian is responsible for the cost of transportation, and the camper will forfeit his or her camp fees.

PROHIBITED ITEMS

Prohibited items must be turned in during registration. Items will be returned to the camper or their parent/guardian at the end of camp.

ROOMMATES

We will do our best to grant camper roommate requests, however, due to a variety of factors, we are simply unable to honor every request. Thank you for your understanding.

VISITORS

Family and friends are welcome to visit during the evening campfire programs as well as for the Sabbath morning services. Please use the designated visitor parking and seating areas. We regret that guest meal service is not available, however, picnic tables will be provided at the registration area for guest use on Sabbath. Please be aware that campers are on a tight schedule. Visitors are asked to keep their greetings brief to avoid making campers late to their next activity. Should a parent or guardian wish to remove a camper from the camp program for any period of time, clearance must be made in advance with camp administration.
